

City of Slaton Cemetery Regulations

Individual Responsibilities

1. Drive on roads ONLY
2. Observe 10 MPH speed limit.
1. Keep flowers and other personal effect in vases on headstones or in approved containers on headstone base. (NO GLASS)
3. Do not pile trash or grass clippings, put in dumpster closest to your location.
4. Water only the area you intend to take care of.
2. Pick up all hoses and sprinklers and remove from the cemetery when through watering.
3. Cemetery is not responsible for cut or missing hoses, sprinklers, flowers or sundries.
4. If any vegetation should, by reason of branches or roots, become detrimental to an adjacent lot or become unsightly or result in inconvenience to the public, the City will have authority to remove such vegetation.
5. No trees, shrubs or vegetation of any kind, with the exception of Bermuda grass, shall be planted by an individual.
5. Funeral designs and floral pieces shall be removed from the grave sites by the lot owner or family prior to becoming wilted or unsightly. If such are not removed within forty-eight (48) hours after interment, such will be removed by the City and disposed of without recourse.

**A complete set of Cemetery regulations are available upon request.
Thank you for helping us to improve the overall looks of the Cemetery.**
